TO TREASURERS OF CONGREGATIONS

SUBJECT: INCREASE IN PENSION FUND CONTRIBUTION

I wrote on 15 October to inform you that **from 1 January 2012** the Congregation's portion of the contribution to the UPCSA Pension Fund will increase to **R1,125.00** (one thousand one hundred and twenty five Rands) per month per member.

The Minister's contribution remains at **7.5%** of his/her stipend.

You are required to pay the total amount (Congregation's plus Minister's contribution) each month into the **UPCSA Contribution Account**, details of which are set out below. Failure to make a monthly contribution has serious implications for the death and disability benefits included in the Fund.

Please pay the contribution within the days of the month for which it is due (i.e. pay the contribution for the current month into the account before the last day of the month). On the deposit slip, or with Internet Banking, please use the name of your Minister as the reference.

Please **DO NOT** deposit money for any other purpose than pension contributions into this account.

I enclose a revised Remittance Advice form for your use in submitting contributions.

In July Andre Prinsloo in the Central Office took over responsibility for the collection and allocation of all contributions. On 1 January Mr Tom Coulter, the Clerk of General Assembly, will take over the position of Principal Officer of the Fund. Please address all relevant queries to them.

Yours sincerely,

**RM (Bob) SAMSON
PRINCIPAL OFFICER**
